

2nd CII-FACE KAIZEN COMPETITION ON FOOD SAFETY 2020- ONLINE

RECOGNITION OF ROLE MODELS ON EXEMPLARY FOOD SAFETY IMPROVEMENTS

Applications Invited From Micro,
Small, Medium and Large Food
Business Operators

Keeping in mind the travel restrictions due to COVID-19, CII-FACE is pleased to announce the Digital Version of the Kaizen Competition on Food Safety 2020.

Presentations to be conducted via digital mode

The Food Business Operators are the backbone of the country's economy. This sector has been instrumental in the growth of the nation, leveraging exports, creating huge employment opportunities for the unskilled, fresh graduates, and the underemployed. The time has now arrived to provide an exclusive and cost-effective opportunity to Food Business Operators to demonstrate their food safety capabilities through an evaluation and recognition program on exemplary Improvements implemented by them and bringing about tangible benefits in Food Safety. Titled as Role Model on Exemplary Food Safety Improvements, the evaluation methodology involves an email application in a prescribed format.

ADVANTAGES

-  Promotes Cross Learning
-  Recognizing the management of operations during the COVID-19 scenario
-  Recognition as Role Models and Setting Benchmarks in the Micro, Small, Medium and Large Sector
-  Interaction with a distinguished panel of Jury who decides the final winners

HOW TO APPLY

Mail Letter of Intent in the format provided by CII-FACE

All presentations will be showcased to the jury and delegates, by the respective teams, via digital mode

CII-FACE will forward the prescribed format on the mail to the contact person from your organisation
