

4TH CII FACE KAIZEN COMPETITION ON FOOD SAFETY & QUALITY 2022

Recognition of Role Models on Exemplary Food Safety Improvements from Micro, Small, Medium and Large Food Business Operators

The Food Business Operators are the backbone of the country's economy. This sector has been instrumental in the growth of the nation, leveraging exports, creating huge employment opportunities for the unskilled, fresh graduates, and the underemployed. The time has now arrived to provide an exclusive and cost-effective opportunity to Food Business Operators to demonstrate their food safety capabilities through an evaluation and recognition program on exemplary Improvements implemented by them and bringing about tangible benefits in Food Safety. Titled as Role Model on Exemplary Food Safety Improvements, the evaluation methodology involves an email application in a prescribed format and presentation through digital mode interaction with a distinguished Jury Panel & Jury selected kaizens will get an opportunity to be presented in New Delhi.
