

10th CII COLD CHAIN AWARD 2026

**A Decade of Impact:
Driving Measurable Excellence in India's Cold Chain**

Celebrating Organisations That Turn Vision into Measurable Impact

The 10th CII FACE Cold Chain Awards 2026 celebrate a decade of driving real, measurable impact in India's cold chain sector, which is vital to food security, public health, and economic growth. This milestone edition recognises organisations, innovators, and individuals who have advanced infrastructure and initiatives to deliver tangible impact, transforming the cold chain landscape through technology, sustainability, and operational excellence. The awards honour those who are turning vision into measurable outcomes and shaping the future of India's cold chain.
